Ted,

Attached are the modifications to the regulations to effect the new Federal Employees Retirement System (FERS), including the FERS Special Category. OGC, OF, PA&E, and RPD/OIS have sat with our EBS personnel to arrive at the attached rendition. DD/Pers has a copy and has given us a modification to be made on pages 25 and 28 of [] and a lesser modification on page 76.

As soon as we have your go ahead, we will obtain ExDir approval (or DDCI/DCI if necessary) in order to forward regulations simultaneously to the Oversight Committees and OMB for their approvals. In addition, we will run a copy of these through our contacts at OPM. Please let me know if you have any questions or concerns. We realize that there will likely be additional changes to these regulations as we learn through the implementation process.

Meanwhile, we must hurry the attached regulations if we are to have all approvals implemented for internal administration by 1 January 1987.
